## The Safari - MV Gurahali

Welcome aboard the Gurahali - your floating home for unforgettable snorkelling adventures!

The Gurahali, a 29 metre long premium motor vessel, is unmistakable with its two masts and combines elegance with modern, minimalist design. With 7 comfortable, air-conditioned cabins, each with its own bathroom, it offers space for up to 14 guests.

Relax in the cosy lounge areas after an exciting day of snorkelling, enjoy freshly prepared meals on board and let the crew spoil you. Whether you're relaxing on the sun deck or exploring the underwater world, the Gurahali guarantees a perfect blend of adventure and relaxation.

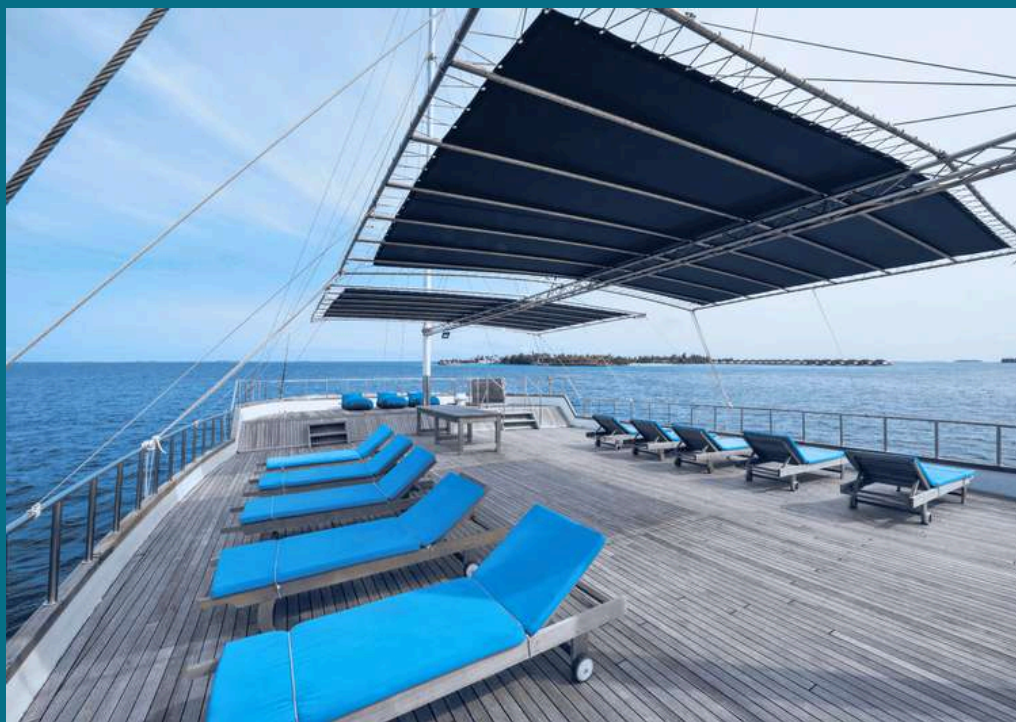

### **The cabin layout:**

7 cosy cabins... Six cabins have a double bunk bed: on the bottom there is a comfortable bed with a width of 1.20 metres, on the top another bed with a width of 90 cm.

The front cabin is equipped with a spacious double bed measuring 1.60 metres in width and offers a particularly high level of comfort.

With a well-equipped galley, a shaded sun deck and entertainment options, the Gurahali is ideal for your snorkelling tour - a true paradise at sea! 🌴🐟

# ABOUT US

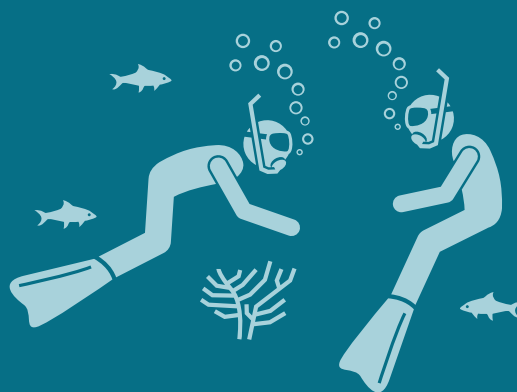

We are Yami and Toddy, also known as the Inselnauten (German for Island Nauts)

We are experts in tailor-made holidays in the Maldives that go far beyond the ordinary. With over 100 islands visited and almost 30 years of experience, we know the hidden gems of the Maldives and create authentic, customised experiences.

Whether local island adventures or exclusive luxury expeditions - we fulfil every traveller's wish and focus on sustainability and the protection of this unique ecosystem

Our cruises are created to show people the Maldives as we have experienced it ourselves - away from mass tourism, with all the beauty and tranquillity that this island paradise has to offer.

We have been actively promoting environmental protection in the Maldives since 2016 and have already trained over 100 coral gardeners together with the German Oceanographic Museum in order to help to preserve and protect the fascinating Maldivian underwater world.
